Why I am at Voyager:

Carolina Voyager is both a caring family and a rigorous learning environment. Our students receive the education, patience and support that children deserve. I love to learn and help others in every way possible. It is a privilege to model my love of learning and respect and kindness towards others in this wonderful school.

Favorites:

Color: Pink and turquoise

Food/Snack: My favorite foods are fresh tropical fruits and seafood. My favorite snack depends on my mood: carrots or pretzels with hummus, popcorn, and anything that is salty AND sweet.

Drink: sparkling water and iced chai tea

Author/Genre: I enjoy rereading Pat Conroy and Dorothea Benton Frank, and have just discovered Boo Walker (also from Spartanburg!). My favorite genres include historical Fiction, biographies, and fiction, especially if it is set in the lowcountry.
